## A Letter From The Executive Director

Hello from everyone here at NTC! We've got a very short newsletter for you this month, because we want to focus on two things.

First, check out our classes that we will be offering in Omaha and Lincoln this spring, starting the second week of April. "Money Matters" in Lincoln and "Job Seeking and Keeping" in Omaha. As always, our application process is open 24/7/365 on our website. Please tell a friend. Heck, tell two friends.

Second, please take a quick minute to glance at our last year. We recently got together for our annual WinterFEAST on February 8, 2020 to celebrate our donors, community collaborations, our students, and our teachers. Last year, our celebrations were mostly limited to celebrating our donors, because we didn't have all the other elements. Look what YOU have helped us accomplish in just ONE YEAR.

Amazing.

By the way, our attendance at this year's WinterFEAST doubled from last year's, and we are looking to double again next year. Watch for the announcement to hit during the last quarter of the year.

Our April newsletter will feature our entire curriculum calendar for our upcoming school year that will begin in August. We will also be talking about an exciting feature of that curriculum – our PEERS social skills curriculum. It is a fantastic evidenced-based curriculum that we will be introducing this fall and the spring of 2021. So very exciting!

From all of us at NTC, thank you for your continued support!

Sincerely,  
Stuart Stofferahn - Executive Director
